Read More Similar to Hello Neighbor games Simulation Scary Strange 3D gives players moments of suspense and sometimes fear with thrilling hide-and-seek phases and tips that require sharpness from the player. Coming to the game, the player will transform into a boy trying to scare away the scary man trying to catch him. Try to run away from the danger lurking for you because you know what will happen if that man sees you. WHAT LED TO THE CHASE Bob is exceptionally mischievous when he meets strangers to him. One day an older adult moved in near Bob's house, and since then, there were rumors that the strange older adult was once a teacher at a school in another town. Bob's dream is to tease a teacher all the time, so this is the perfect subject for him to play tricks on. The mysterious man was always highly suspicious. No one knew his name, and it was impossible to guess where he came from. All they know is that he is a person who should not be touched because of the mystery emanating from him because he does not communicate with anyone and always maintains a distance from everyone around. Bob has caused things to make the man angry, and now he has to pay for his mischief when being chased fiercely and extremely fiercely. THE SPECIAL THING ABOUT THE GAME Now that Bob has a perfect object to perform his mischievous pranks without even knowing that danger is lurking, players will be able to play the role of that playful boy and participate in the implementation of the naughty joke. If you are a fan of the horror game genre but don't want to play a game that is too scary, then this is the perfect game for you, not only the fun it brings but also the features—attractive factor when you are always in a state of escape with no safe moment. EXCITING CHASE The game revolves around thrilling chases between Bob and the mysterious man chasing the boy, and Bob will pay the price by being hunted down due to the mischief he caused. During the chase. Players will be using a lot of tips and different tools to escape more easily, creating a richness in gameplay to make the game more wonderful. Remember, don't stop because the mysterious man will pursue you fiercely wherever you are. RETALIATIONS Playing the role of a naughty boy, the player not only plays the game just to run away but can also use his understanding and the tools he finds to perform a counterattack to drive the man away from the house or slow down the pursuit. Hold on to him so you can increase the distance during your escape. Choose for yourself special tools, nestle in places obscured by the man's view, and perform counterattacks to create surprises and bring joy to the stressful game process by hiding and seeking. HIDE AND RUN There are two most important things that players need to do: hide and run away. You'll always have to find a safe spot on your escape route so you can quickly hide from the man's line of sight. He is extremely alert, so you must avoid causing unnecessary movements that reveal your position. After successfully hiding from the pursuer's range, you will take the opportunity to break out of a safe hiding place to move gradually to the exit. Remember that escaping is not easy when the exit door is locked. To run, the player needs to move around the house, find clues in his favor, and finally get out. KEY FEATURES Sharp graphics with excellent 3D quality bring an incredibly realistic playing experience and stimulate curiosity. Besides running and hiding in the game, many operations will be terrifying chases. Tools in the game are very diverse with entirely different uses. Choose the most suitable tool for you. The game trains the player's sensitivity and ingenuity during the experience, providing a great experience. Conclusion: There are many different levels for players to explore and challenge their abilities and promote good thinking. You are now ready to download Scary Stranger 3D for free.
